COMMUNITY PARTNERSHIPS 2026/27

Bangor Barden Ridge Comets Cricket Club

ABN: 39 220 723 498

Introduction

Bangor Barden Ridge Comets is a leading Shire community cricket club, with opportunities for players of all ages and abilities in a welcoming, family environment. As we look ahead to the 2027 season, the Comets are proud to offer a refreshed partnership program designed to reflect the strength, diversity and ambition of our local community. Our Foundation Partner packages continue to provide flexible opportunities for businesses of all sizes to invest in the club in a way that aligns with their goals and capacity.

This year, we are proud to introduce Community Impact Extensions, giving partners the opportunity to directly support initiatives that matter to them across inclusion, diversity, youth development and professional growth. Alongside our continued focus on high performance cricket pathways, these programs reinforce our commitment to building a stronger, more connected community on and off the pitch.

Female Cricket Partnership

“Support the fastest-growing area of community cricket and the growth and development of local female cricketers”

We have amazing female cricketers at Comets, and the rapid growth of female cricket participation is creating strong opportunities for young girls to build confidence, friendships and leadership skills through sport.

This partnership will help support the continued growth of girls' cricket at Comets through participation initiatives, development opportunities and accessible pathways for future female players.

Inclusions

- Partner recognition toward free registration for girls teams
- Sponsor-branded girls team match day marquee
- Promotion on social media (x4) and website
- Sponsor-branded Club Female Cricketer of the Year Award

All Abilities Partnership

"Be recognised for supporting inclusive sporting opportunities for young people of all abilities"

With a slower pace and atmosphere, cricket brings together families making weekends about more than just a game.

- Inclusive and accessible for all ages and abilities
- Builds patience, resilience, confidence and teamwork
- Relaxed, family-friendly environment
- Less chaos and pressure than many junior sports
- Creates strong community connection and belonging

Cricket builds valuable life skills both on and off the field.

We are seeking a community partner to help with early-stage awareness, participation and engagement as we work to promote inclusivity in cricket.

Inclusions

- Naming rights to a "Come and Try Cricket Day – All Abilities"
- Recognition and brand association with accessibility and inclusive sport within the local community

Future Pathways Program

Future Pathways is an inaugural Comets initiative to support the development of our players both on and off the pitch.

As a community club, we are committed to creating strong cricket pathways that help our elite juniors grow, perform and remain with the club, while also partnering with local businesses and community leaders to support career development, mentoring and personal growth.

With cricket bridging juniors into senior sport at just 16 or 17 years of age, the program recognises the key role the club can play in shaping confident, well-rounded young men and women within the 2234 community.
